

Isaac's Newsletter

I am so thankful to be where I am, walking in God's plan. Hallelujah!

The Discipleship Training School is already at week 5! We have 10 students from 7 different nations.

In this newsletter I will share a testimony of God's faithfulness, some new vision, and an invitation to be apart of my prayer team & covering.

The Transition

It has been a big change transitioning to a new country, home, a new people and into a city. I have continuously seen God moving in my life whether through provision, encouragement, or the way He has been challenging me.

New Teachings

Since being in Perth God has continuously been calling me into a deeper relationship with Him. He has been faithfully seeking me even when I am not the best at doing my part. He has taught me that **He** gives me my identity and that He has adopted me into His family with all the authority of a real son.

My Roll as Staff

I mentor and disciple students in their spiritual growth, lead small groups, and help out with some practical aspects of the school. I also help facilitate a Christ-centred community and assist in leading outreach, guiding students in cross-cultural ministry, and evangelism.

My Vision

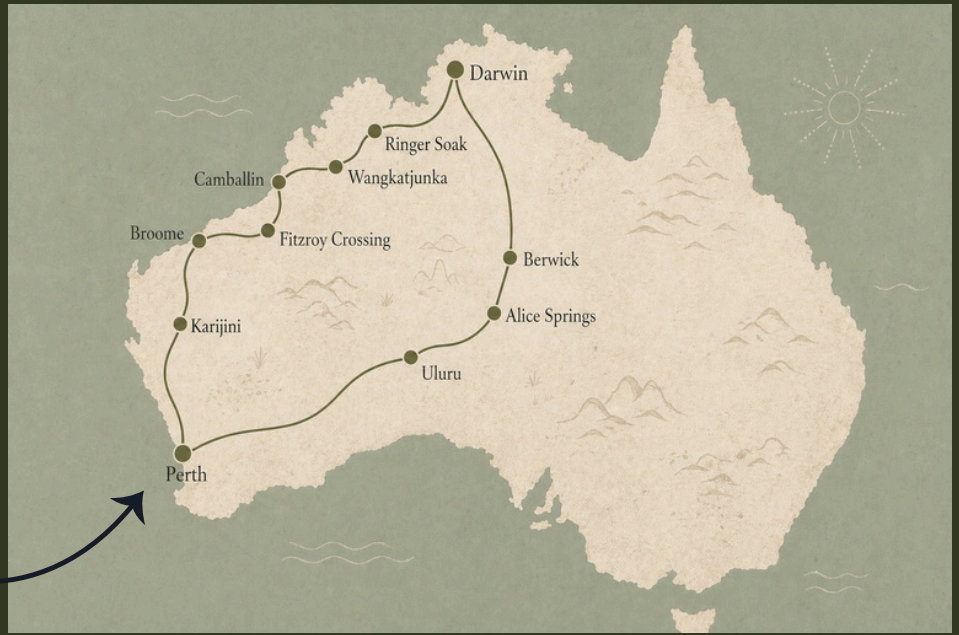

During a teaching I was challenged to ask God for a vision, whether short or long term. I felt God said to me, "Show christian youth how much I love them and seek them."

Outreach

June 1st we are leaving to the outback! We will be finishing lectures on the road and outreaching to local communities along the way. We will spend about two and a half months travelling the outback before leaving to the next part of our outreach.

This is the route we will be taking through the outback along with a few of the places we are going to stop.

For the second part of our outreach we will be going to Medan, Indonesia! It is the largest city on its island with a majority of its population practicing Islam. We will be connecting with a contact at a YWAM base in Medan. I will be co-leading a team with another staff member, Nathan. There is a lot to be trusting God for. I feel completely out of my depths taking on the role but God is faithful and I know I have to trust in Him. I lose my ability to be afraid when He loves me.

Prayer and Partnership

Thank you so much for all your prayers covering me in my transition to Perth. Below will be a link to my prayer group chat. Thank you for the many messages and check-ins I've received already.

It is always a blessing to hear from you!

I am trusting God to eventually be fully funded through dependency on God and the generosity of others as YWAM do not pay any of their staff, but we are encouraged to completely trust God to provide.

Where **God** guides, **He** provides. Where **He** leads, **He** feeds.

Please contact me if you would like to to be a part of funding my long term mission as well as finances to fund the upcoming 4 months of outreach.
